Anarchy will win the day Authority must go away People running in the streets Fire bombs turn up the heat

Anarchy like yesterday Violence will take the day Committed men without a plan Knowing you wonÃf¢â,¬Â™t understand

Anarchy for everyone Have yourself a little fun Anarchy is so divine Is there any other kind?

There $\hat{A}f\hat{A}$ ¢ \hat{a} , $\neg\hat{A}^{\text{TM}}$ s no shelter anywhere You run and hide you $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \hat{A}^{\text{TM}}$ re really scared Evil running wild today Can you keep the dogs at bay

Anarchy like yesterday Violence will take the day Committed men without a plan Knowing you wonÃf¢â,¬Â™t understand Anarchy for everyone Have yourself a little fun Anarchy is so divine Is there any other kind?
