

Reaction 7 "Cyclone"

Visit "[Cyclone](#)" on MotoLyrics.com

YouÃƒfÂçâ, ÑÂ™ re big phat pretty you just stay in bed
All the day long you hurt my head
YouÃƒfÂçâ, ÑÂ™ re up all night with your wild friends
Doing those things means without ends

But in bed youÃƒfÂçâ, ÑÂ™ re a cyclone
While IÃƒfÂçâ, ÑÂ™ m laying out the bone

YouÃƒfÂçâ, ÑÂ™ re big phat pretty you just stay in bed
All the day long you hurt my head
YouÃƒfÂçâ, ÑÂ™ re up all night with your wild friends
Doing those things means without ends
But in bed youÃƒfÂçâ, ÑÂ™ re a cyclone
While IÃƒfÂçâ, ÑÂ™ m laying out the bone

Pretty girls do as pretty girls may
They take it all together and throw it away
Just living real hard so it feels so bad
To give me a smile makes you feel so sad
