Watch them jiggle watch them swing
Aren't they just the greatest thing
All cooped up inside that dress
I wanna see 'em must confess

Dey goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Just for your viewing pleasure

Watch them dancing watch them glide
I've got to see just what's inside
All cooped up inside that dress
I wanna see 'em must confess

Dey goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Just for your viewing pleasure

Them things should be on the TV
At 3 a.m the views for free
They look just like juicy melons
Afternoons I'd like to smell 'em

Dey goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Goin' da boomda boomda boomda
Just for your viewing pleasure
