Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war

Out in front, off to war
They're all bad, they're hardcore
Kill the guilty, kill the bad
Kill the innocent, kill the sad

Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war
Use the rifle, use the gun
Kill the father, kill the son
Kill the guilty, kill the bad
Kill the innocent, kill the sad

Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
Dogs of war, they're the dogs of war
