Everytime that I think about you girl I stop breathing,
And everytime when I'm close to you my heart just
stops beating,
I can't get you out of my head (no)
I just want you tonight in my bed (oh)
Girl I'm so alone I just wanna call you on the phone and
tell you:
Your lips, your eyes when I look at you I get hypnotized
And I don't care what everybody say cuz girl you blow
my mind away!

Girl I want you so bad
I just wanna confess cuz I wanna take you home
Girl you don't have to be alone
I just want you so bad
Girl I love your style and the way you make me smile (I
wont you)
Girl I want you so bad (so bad so bad)
I just wanna confess cuz I wanna take you home
Girl you don't have to be alone!
And I know you are the one for me... cuz you make me
so crazy!
Girl I wont you sow bad

Everytime that I sleep at night it's you that I'm
dreaming
Everday that I'm without you I get this sad felling
And I want this to work(oh)
I just don't wanna get hurt(no)
But man I don't give a damn, cuz I wont you
Your lips, your eyes when I look at you I get hypnotized
I just wanna give you kiss... cuz I wanna tell you this!

Girl I want you so bad
I just wanna confess cuz I wanna take you home
Girl you don't have to be alone
I just want you so bad
Girl I love your style and the way you make me smile (I
wont you)
Girl I want you so bad (so bad so bad)
I just wanna confess cuz I wanna take you home
Girl you don't have to be alone!

And I know you are the one for me... cuz you make me
so crazy!
Girl I wont you sow bad

Oh oh oh so bad baby
Oh oh oh oh so bad baby...
