We never had the chances you did
We had no options they were all hid
You had our home and your fancy meal
We only had our rotten deal

We wish we had a dollar for every time that you
complain
WeÃfÃçâ, Ñ™ d like to feel your sorrow but you cannot
feel our pain
Choices yea and choices nay youÃfÃçâ, Ñ™ ve got
those things to make
We would like to give to you but all you do is take

Grab yourself and go away
Grab yourself and do not stay
If you care about us
ThatÃfÃçâ, Ñ™ s a lie so whatÃfÃçâ, Ñ™ s the fuss
WeÃfÃçâ, Ñ™ ve had enough of stupid games we do
not want to play
Take your toys take ÃfÃçâ, Ñ™œem all and go about
your way
DonÃfÃçâ, Ñ™ t come back just donÃfÃçâ, Ñ™ t
come back and ask if its too late
You want our love to give to you but all we have is hate

Take your money go away
We donÃfÃçâ, Ñ™ t want it anyway
Trusted father you are not
Hope you end up somewhere hot

We hate you (repeated 8 times)
