It started happening last December  
Near her birthday as I remember  
Friends we were for so many years  
Sharing laughter we were sharing tears  
She had somebody and so did I  
Suddenly that passed us by

Nearing Christmas we went to shop  
Later on we made a stop  
Share a meal and share some talk  
Suddenly she said take a walk  
She had somebody and so did I  
Suddenly that passed us by

Watching skaters down at the rink  
Hand in hand it made us think  
She stood so close I couldn't speak  
Suddenly my legs got weak  
I looked at her she looked at me  
And in her eyes what did I see

It came as a surprise when I looked into those eyes  
The look of a wanton woman wanting me haunting me

We couldn't help it I had to hold her  
Suddenly warm and I felt bolder  
Cupids arrow I felt the impact  
Fantasy was becoming fact  
Hand in hand and suddenly knowing  
It was love that we were showing

Getting closer and closer it seemed  
Feeling like it was all a dream  
Tender kisses touch my lips  
With my hands down at her hips  
Hand in hand and suddenly knowing  
It was love that we were showing

Now I guess that you've heard the story  
We can't say that we are sorry  
Sharing lives the good the bad  
Yes indeed I'm a lucky lad

I look at her she looks at me  
And in her eyes I always see

It comes as no surprise when I look into her eyes  
The look of a wanton woman wanting me haunting me
