If you sleep with the pigz you're gonna gather the fleas
And you can't even say that he meets your needs
An apple a day keeps the goods ones away
You don't even know love to you its just play

If I love in the bush is worth two in the hand
Then I guess that's one that I'd understand
If you roll with the stone you're gonna gather the moss
So accept it right now that I'm gonna get lost

You're a heartbreak
Just bad news
Cheating lovers
You abuse
Never feeling
Without blame
Needing remorse
Its all the same

If I told you the answer would you even care
If I offered my feelings would you ever share
If I gave you my sympathy til late in the night
If I gave you my hand would I feel the bite

Would it bother you if I just curled up and died
Would that touch upon something that's hiding inside
If you roll with the stone you're gonna gather the moss
So accept it right now that I'm gonna get lost

You're a heartbreak
Just bad news
Cheating lovers
You abuse
Never feeling
Without blame
Needing remorse
Its all the same
