Street action weÃƒfÂçâ, ÑÂ™ re gonna get us street  
action

Street action weÃƒfÂçâ, ÑÂ™ re gonna get us street  
action

Street action seeking traction  
Its my mission the streetÃƒfÂçâ, ÑÂ™ s decision  
Street action power reaction  
Have you been there, got any friends there?

Nitrous power burning fire  
Running hot and going higher  
Got my boys theyÃƒfÂçâ, ÑÂ™ re all inside  
Just along for the ride

Power curve overdrive  
Need more revs to survive  
Jazzy neons light the night  
Worked all day to get it right

Its like I told you she doesnÃƒfÂçâ, ÑÂ™ t know you  
The streets got wisdom Knows where you come from  
You donÃƒfÂçâ, ÑÂ™ t know her, what can you show  
her?  
Have you been there, got any friends there?

Street action seeking traction  
Its my mission the streetÃƒfÂçâ, ÑÂ™ s decision  
Street action power attraction  
Have you been there, got any friends there?
