

## Reaction 7 "Unemployed"

Visit "[Unemployed](#)" on [MotoLyrics.com](http://MotoLyrics.com)

There's no employment anywhere  
And of course the wallet's bare  
Need a job a job with no delay  
I'll work real hard do what they say

Check the want ads at first light  
Pass the check a little kite  
To get some gas an early meal  
Try to find another deal

Don't give up and don't back down

Take a seat get in line  
Wait all day until you're dying  
Interview with some young fool  
Don't understand just what I do

Overqualified I know  
In between 'em then I go  
"Sure I'll bet its all a treat  
Right now I need food to eat"

Can I help the bottom line?  
Help me here I think I'm trying  
Take a seat and get in line  
Wait all day until you're dying

Don't give up and don't back down

Take a seat get in line  
Wait all day until you're dying  
Interview with some young fool  
Don't understand just what I do

Overqualified I know  
Interview again then go  
"Sure I'll bet its all a treat  
Right now I need food to eat"

Can I help the bottom line?  
Help me here I think I'm trying  
Take a seat and get in line

Wait all day until you're dying
