Deep Inside Your Love  
Ready for the World  
How does it feel  
To be lonely inside with no one there?

You don't want to know  
But this is what's happening to me oh o oh  
And every day I wake I realize that i'm on my own  
Without you

I'm so  
Deep i'm so deep  
Inside of you girl

I'm so  
Deep i'm so deep  
Inside your love

I can't even think I can't even eat  
Thinking bout your love  
You always on my mind

I don't know whats wrong with me  
You a part of me honey can't you see  
I need you oh oh oh

I'm so  
Deep i'm so deep  
Inside of you girl

I'm so  
Deep i'm so deep  
Inside your love

It's your love that I want  
It's your love that I need every night  
Cause deep inside of you  
Is where always wanted to be

Another sleepless night it not the way  
It's gonna be

I need you

I'm so  
Deep i'm so deep  
Inside of you girl

I'm so  
Deep i'm so deep  
Inside your love

You just don't know what you doing to me girl
