It's getting late, while are you still here, girl  
Have you made up your mind, you wanna make love  
tonight  
I want you to hold me, I want to be for real, girl  
Please tonight

Don't want you to go 'cause I don't feel like bein' lonely,  
no  
Not tonight, honey, not tonight  
You're so scared 'cause I can feel your heartbeat  
It's so fast

Oh...oh...oh...oh...  
Girl, tonight  
Oh...oh...oh...oh...  
Girl, tonight

You're probably thinking you're gonna be a woman  
After all of this  
Let me tell you, you're more woman than I ever seen  
Girl, tonight

I want your lips, I even want your tongue, love  
Come give it to me, come give it to me  
Take your time, but don't you take too long, girl  
Please tonight

Oh...oh...oh...oh...  
Girl, tonight  
Oh...oh...oh...oh...ooh...  
Tonight

You're so wet, you can barely wait, girl  
But see it's alright, honey, it's alright  
It's so dark, but I don't even care, girl  
I know where to go, I know what to do

You're the heart and I am the arrow, girl  
Let me shoot you, uh

Don't you worry 'bout a damn thing, girl, no
