i'm the one who loves you
and i'm the one you need
but what you fail to realize
i love you til you please
if you're feeling lonely
that's where i come around

we been talkin for some months
you love to play games
but that's alright, baby
cuz i got my other dames
(see)you're out for the money (yeah)
and i'm out to please

i'm the one who loves you
and i'm the one who cares
but your silly attitude
gets on my last nerve
it's you who drives me crazy (it's you, baby)
it's you who drives me wild

it's true i love your body (so true)
it's true i love your eyes, yeah
let me kiss your lips baby
i will drive you wild

cuz i'm the one who loves ya, baby
and i'm the one who cares

(listen!)
