Oh, sugar where you been
Hangin' out with your male friends
Listen, somebody's going to hurt you
The way you love, to keep hurting me, we say

1-Oh oh Sheila let me love you
Till the morning comes
Oh oh Sheila you know I want
To be the only one

3-Oh baby, understand that I want
To be the only man

But it seems you're screaming too hard

Now think yourself to have an only friend
Oh baby, it's plain to see
That you're qualified to fill my needs

4-I think you threw an oath on me
Honey, baby, just you wait and see

And we say
(repeat 1)

Oh baby, it's 1-2-3
I love you baby honestly, hmm, I want to
Di a di da li a di a di da li

Oh, oh Sheila...
(repeat 2, 3, 4, 1)
