Slide Over
Ready for the World

I just saw you look at me,
Tell me do you want what you see
And I was kind of wonderin'
Why you're sitting alone
You're just too cute
Is it that you want me to go over there,
If you don't...
You better come on over here.

Slide over, baby.
Slide over
Slide over, baby.
Slide over

Don't you want me to get real nice and close.
Baby I will,
You're the kind of girl who wants the male to do the
work,
You gotta change.
Why look as though there's fear
Cause baby, I know why you're here.

Slide over, baby.
Slide over,
Slide over, it's getting too hard for me.
Slide over.

I lie in my room alone,
The other side of my bed is so cold,
I might be only 19, but baby...
You can still grab a hold
I bet you wouldn't mind it
If I held you tight... all night

Slide over... baby.
Slide over.
Slide over, it's getting too hard for me.
Slide over.

Don't make me wait too long.
