Verse 1:

It's getting late
Why you still here, girl...
Have you met a full mind,
You wanna make love tonight
(I want you to hold me)
I want you to be for real girl
pleeeasse.., tonight..
don't want you to go,
cause i don't feel like being lonely, noooo
not tonight..
(honey not tonight)
you're so scared
cause i can feel your heartbeat
its sooo fast...

Chorus:

ooh, OOoohhh (repeat)
girl tonight..
ooh, OOoohhh (repeat)
girl tonight..

Verse 2:

You're probably thinkin',
if you're gonna be a woman, after all of this,
(let me tell you)
You're more woman, than i ever seen girl...
tonight..
i want your lips,
i even want you down low,
come give it to me...
(come give it to me)
Take your time,
but don't you take too long girl,
pleeaassee, tonight

Chorus

Verse 3:

You're so wet
you can barely wait girl,
i say its alright...

(honey its alright)
its soo dark,
but i don't even care girl,
i know when to go...i know what to do,
(you're the harp)
and i, am the arrow girl,
now let me shoot you, oh..

(Guitar plays)

Don't you worry 'bout a damn thang.., girl...no!
