LATE-ARRIVER

I'm a late-arriver, bored, lazy and doomed
I could easily sleep through the whole afternoon
I use my time the way i think is right
And i don't care what they say
So tell me, why can't we seem to live our lives
Like we would want us to
I know that we could do
What we wanted to
If I'd really care about what people would say
I would have changed yesterday
I like my lifestyle just as it is
It's too late for me anyway
So tell me, why can't we seem to live our lives
Like we would want us to
I know that we could do
What we wanted to
And all the days gone by tomorrow i will try
To get something done
And everywhere i go i hope they always know
That i am not a show
