THE WAY IT HAS TURNED OUT

Mistakes, chances i never took
Are creeping up to me
right now
Then i wish i could go back in time
And rearrange things somehow

I would be an astronaut, a president, piano-player
In a run down hotel bar
I would be an astronaut, a president, a pilot-man
A poet or a football star

If things hadn't turned out the way
they have to do this day
I would miss the guy at the bar
That i just talked to yesterday

I think he was an astronaut, a president, piano player
in a run down hotel bar
I think he was an astronaut, a president, a pilot-man
a poet or a football star
