(Bill Austin, Louis Jordan)

I've got guy who's always late
Any time we have date
But I love him
Yes I love him

He's gonna walk up to my gate
And see if he can get it straight
Cause he wants her
He's gonna ask her, ma

Is you is or is you ain't my baby?
The way you're actin' lately makes me doubt
Yous is still my baby, baby
Seems my flame in your heart's done gone out
A woman is a creature that has always been strange
Just when you're sure of one
You find she's gone and made a change
Is you is or is you ain't my baby
Maybe baby's found somebody new
Or is my baby still my baby true?

Is you is or is you ain't my baby, baby?
Baby boy, the way you're actin' lately makes me doubt
Yous is still my baby, baby, baby
Baby boy, seems my flame in your heart's done gone out
A woman is a creature that has always been strange
Just when you're sure of one
You find she's gone and made a change
Is you is or is you ain't my baby
Maybe baby's found somebody new
Maybe baby found somebody
Or is my baby still my baby true?
