(Hughie Prince / Don Raye)

Down on the corner  
There's a place we meet each night  
There's singing and dancing  
Lots of romancing  
Everyone's happy  
Only good fellows there  
When we get together  
Say, the weather's always fair  
Hail, hail, hail the gang's all here  
Hail, hail, hail, good health, good cheer  
Sing and laugh your cares away  
And when it's time to say goodnight  
Someone is bound to say

Let's have another one  
Before you leave me  
We're having so much fun  
Parting will grieve me  
There goes the band again  
Everything's right  
Dancing is so much fun  
Let's have another one  
Before we say goodnight

Down on the corner  
There's a place we meet each night  
There's singing, shouting and dancing  
And Lots of romancing  
Everyone's so happy  
Only very good fellows there  
When we get together  
Say the weather's always fair  
Hail, hail, hail, hail, the good old gang is here  
Let's all hail  
Hail, hail, very good health and very good cheer  
We can sing and dance  
Sing and dance your cares away  
And when it's time to say goodnight  
Someone is bound to say

Dang, dang. Dang, dang.  
Dang,dang,da-da-la-da-day-day.

Let's you and I have another one  
Let's have another before we say goodnight  
Goodnight, sweetheart  
Parting can be so much fun  
Let's you and I have another one  
Before we can say goodnight

Goodnight ladies, goodnight fellows,  
Goodnight everyone,  
We've all had a lot of fun  
Goodnight, goodnight,  
Goodnight good fellows  
Till we meet again  
We, we can have another dance
