While angels are shining the sky, it's Christmas eve

A sweet little angel takes heavenly leave

She likes to help Santa Claus dress up the tree

So next Christmas morning, look up and you'll see

Sweet Angie, the Christmas tree angel

On the top of the tippy, tippy top of the tree

All dressed up in stardust and tinsel

Have a very, very, merry, merry Christmas, says she

She colors the lights and she sprinkles the snow

She hangs up the holly and bright mistletoe

The loveliest angel you ever have met

She makes Christmas one day we never forget

Sweet Angie, the Christmas tree angel

On the top of the tippy, tippy top of the tree

All dressed up in stardust and tinsel

Have a very, very, merry, merry Christmas, says she

When Santa has filled all the stockings with toys

And left all his gifts for the good girls and boys

Sweet Angie is busy till dawn starts to break

Arranging the toys till the children awake

Then with the morning, a smile on her face

When Angie has put all the toys in their place
The next thing you know, softly laughing with glee
Sweet Angie returns to the top of the tree
Sweet Angie, the Christmas tree angel
On the top of the tippy, tippy top of the tree
All dressed up in stardust and tinsel
Have a very, very, merry, merry Christmas, says she
On the top of the tippy, tippy top of the tree
Have a very, very, merry, merry Christmas, says she
Merry Christmas
