My mind has left the building
And I shouldn't be speaking,
But now I can so I will
And I'll tell you the truth
I said these terrible things
That she's done to me
Tend to creep into my dreams
And it's impossible to sleep

To my left is a beauty
Sleeping beauty, yeah she's pretty
B-but now I'm quickly finding out
That looks can be deceiving
And I'd say to her face
But I'd miss the taste
Of blood in my mouth
When she is knocking me out

I've hit
Rock Bottom
Have I sold my soul
I don't wanna-wanna know
I've gotta fall
Back to Back to back
In love with you
I'll take the black and blues
I've got everything to lose
I've gotta fall
Back to back to back
In love with you
What else can I do?
Oh, you're everything that I should lose
Everything I gotta lose

Oh OH!
Oh Oh Oh Oh
E-e-everything I gotta lose
Oh OH!
Oh Oh Oh Oh

The arrow missed (H) Oh! The mark
And now I'm finally

Finding out
Having doubts
She's been bringing me down
It's been a terrible dry spell
The last time the rain fell
We had only met and this was prior
To regret coming out
Better get her,
Wish I never met her
But I did so I do
Everything and it's clear
That I could treat her so greatly
She seems to hate me
Head in the clouds
I let her knock me out

I've hit
Rock bottom
Have I sold my soul?
I don't wanna-wanna know
I've gotta fall
Back to Back to back
In love with you
I'll take the black and blues
I've got everything to lose
I've gotta fall
Back to back to back
In love with you
What else can I do?
Oh, you're everything that I should lose
Everything I gotta lose

Oh OH!
Oh Oh Oh Oh
E-e-everything I gotta lose
Oh OH!
Oh Oh Oh Oh

OoooOooOOOh

It's time to leave here
And stop pretending
That it's worth mending
(Yeah)
It's time to let my love break free
(Whoa-oh-oh)
It's time to take my heart
In my own hands, in my own hands
(Yeah)
Cause you were all I'll never need

But I will fall
Back to back to back
In love with you
I'll take the black and blues
I've got everything to lose

Back to back to back
In love with you
I'll take the black and blues
I've got everything to lose
Oh I've gotta fall
Back to back to back
In love with you
What else can I do?
Oh, you're everything that I should lose
Everything I gotta lose

Oh OH!
Oh Oh Oh Oh
E-e-everything I gotta lose
Oh OH!
Oh Oh Oh Oh

Yeah!
Yeah!
Yeah!
