And what a heart you've got inside your chest  
It's another song worth singing  
Oh I'm not here (I have held my breath all week)  
Finally, finally

Ooh lucky boy, lucky boy (it is love)  
Please tell me it's love  
Ooh Lucky boy, lucky boy, (this is love)

And I'm afraid that I can't paraphrase  
Oh just let me feel (just let me feel) the way I want  
My heart sings a solemn song  
You know I look; I looked at you in silence  
Twilights such sweet, sweet thoughts  
Your lips are smooth; your cheek will soon press mine

Ooh lucky boy, lucky boy (it is love)  
Please tell me it's love  
Ooh lucky boy, lucky boy (this is love)

Your breath is cold (your breath is cold)  
Your eyes are wide  
Were in the sky (in the sky)  
Were soaring  
The sea is cold (the sea is cold)  
My heart is (its palpitating)  
It's palpitating  
(So damn fine)  
(Do my best)  
Oh I love  
(Sweet girl)  
I love  
Sweet girl  
(I love)  
I love your mind

Ooh lucky boy, (show me love) lucky boy  
Please tell me it's love  
Ooh lucky boy, (teach me strength) lucky boy  
Teach me, teach me your strength  
Ouuu lucky boy, lucky boy (hold me down)  
Please tell me it's love (down tonight)

Oooh lucky boy, lucky boy

Love,  
Kiss Me now
