

## Reagan Youth "Happy?"

Nervous twitching, anxious bitching  
Is something disturbing you?  
Nervous laughter - what ya after?  
Ha ha the joke's on you!

Are you really happy?  
Are you happy?

Pompous bragging, neurotic nagging  
Expose your insecurities  
Aggravated, irritated  
You're the perfect picture of misery

Are you really happy?  
Huh? ...You're not happy?  
Ha ha ha... you're soooo cool  
Ha ha ha... but the joke's on you!

Ha ha honey, ain't it funny  
How some people are such hapless fools  
Ha ha honey, ain't it funny  
The punch line is the joke is you! ...ha ha ha
