We are the sons of Reagan ...Heil!
Gonna kill us some pagans ...Heil!
The right's your sacred mission
Start an inquisition
Gonna purge the heathen minds!

We are Reagan Youth! ...Heil! Heil! Heil!
Reagan Youth ...Zeig Heil!

We are the sons of Reagan ...Heil!
We are the godforsaken ...Heil!
The right is our religion
We'll watch television
Tons of fun and brainwashed slime

We are the sons of Reagan ...Heil!
We are the unawakened ...Heil!
Want another war?
Forward to El Salvador!
Gonna kill some communists!

You are Reagan Youth! ...Heil! Heil! Heil!
Reagan Youth! ...Zeig Heil!

Don't be fooled!
