Havoc:yeah...the infamous has just entered the building..
yeah momma, keep doing that just like that i like that..but you got
one problem..you hangin with some real clowns over there, they some
real clown killas, shootin off in the air like, ill son where my real
dawgs at? Chorus: if you live nigga then you bustin yo hammer
all my real niggas not having to stand up
niggas better want em you be pickin yo man up
clappin at whoever i aint leavin in handcuffs

Havoc verse 1: said one hammer, two hammers, three hammers, four
H got drama with ya im bringing it to your door
we get, sluttin them off, while
