"How could you lie"

-The Imbecile

Took it upon myself

How could a mainstream episode

Force me, badly, to fall?

Huh?

Passions dying

Oceans forming

Feel the sun on the way to fall

He'll untie you

Feel like there's still

A way to fall

How?

Assuming you're right

It's horrible to let them

Go till now

How could you even telephone?

Honey, that's evil

I guess I could understand

If I could see you here now

Never try to lose that taste forever

Just act like it's alright

Never try to lose that taste for heaven
