Do do do do do do do
Do do do do do do do
I've got her stuck in my brain like a tattoo memory

And I've just gotta say
That she's so hot I feel warm on a winters day
And the snow just melts away
Come out and play I can see that you move so great
We'll all just watch you dancin'
It hurts my brain just to think that you look like that
And not a bit of you is plastic
Here she comes

She sees right through me
Her hair is long
She shakes that booty
Here she comes
She's takin' over
My mind is blown
I'm a Casanova clown
Do do do do do do do

Do do do do do do do
When she walks by all I hear is a lot of static

She blows me away
I've got her stuck in my brain like a tattoo memory
And I've just gotta say
Here she comes

She sees right through me
Her hair is long
She shakes that booty
Here she comes
She's takin' over
My mind is blown
I'm a Casanova clown
Do do do do do do do

Do do do do do do do
I wonder if she knows what she puts me through

I wonder if she knows what she makes me do
Here she comes

She sees right through me
Her hair is long
She shakes that booty
Here she comes
She's takin' over
My mind is blown
I'm a Casanova
Here she comes
She sees right through me
Her hair is long
She shakes that booty
Here she comes
She's takin' over
My mind is blown
I'm a Casanova clown
Do do do do do do do

Do do do do do do do
