Iâ€™m the last face you wanted to see
Iâ€™m all youâ€™ll ever need
Youâ€™re scared to admit to
All the feelings that you hold onto
Weâ€™ll be right back where we started from

Iâ€™m the stitch in your side
Youâ€™re the stitch in my side
That lingers and lingers
Iâ€™m stuck in your head
Your stuck in my head

Itâ€™s time to give in
Cause one way or another
You know Iâ€™m gonna win
Iâ€™m nothing but the stitch thatâ€™s in your side
Youâ€™re nothing but the stitch thatâ€™s in my side

Weâ€™ll be right back where we started from

Iâ€™m the stitch in your side
Youâ€™re the stitch in my side

That lingers and lingers
Iâ€™m stuck in your head
Your stuck in my head

Iâ€™m the surefire cure
to the angst you endure
So take me in without warning
And call the doctor in the morning
Goddamn I did it again!
Cause you know I want to give in
Youâ€™re ten feet in the sky
And Iâ€™m a step shy of being able to fly

Iâ€™m the last face you wanted to see
Iâ€™m all youâ€™ll need
Weâ€™ll be right back where we started from

Iâ€™m the stitch in your side
Youâ€™re the stitch in my side

That lingers and lingers
Iâ'm stuck in your head
Your stuck in my head
