I can't be held in chains
I ain't your slave
I got this wild heart
And it can't be tamed
If you think that I'm sweet
Sugar in your dreams
You better watch your mouth boy
Cause I don't disappear

Chorus
And you don't know
A thing about me x2
I hit the ground running running running x2
You can't hold the rope the rope down
Cause I'll be breaking out
This spirits gotta be free
I hit the ground running running running
So don't go following me

I know your falling so deep
Your just like a ball
Cause you can't hide your love
No, no, no with camoflaue

[Chorus]

Things aren't always what they seem, to be
I know what your thinking,
But she isn't me
It's crazy obsession
Have you lost you mind
Baby don't hold your breath
Mmm, Ohhh

I hit the ground running running running x2
You can't hold the rope down
Cause I'll be breaking out
This spirits gotta be free
Don't try and stop me now
Ain't comming back around
This spirits gotta be free

I hit the ground running running running x3
So don't go following me
