Is this wrong or is this real  
Should I deny the way I feel  
Every time I get close to you  
Feels like I'm doin' somethin'  
I'm not supposed to

Can I want your love  
Would it be ok  
I wonder what you would say  
If I kissed your lips  
Would it shock your heart  
Or do you want to go that far  
Can I want your love

Do I dare cross this line  
'Cause girl, my desire might make you mine  
This temptation is such a rush  
How much of you am I worthy of

Can I want your love  
Would it be ok  
I wonder what you would say  
If I kissed your lips  
Would it shock your heart  
Or do you want to go that far  
Can I want your love

Every time I get close to you  
Feels like I'm doin' something  
I'm not supposed to

Can I want your love  
Would it be ok  
I wonder what you would say  
If I kissed your lips  
Would it shock your heart  
Or do you want to go that far  
Can I want your love

Can I want your love  
Can I want your love
