Okay children, for today's vocabulary test  
Who would like to stand up and share  
With the rest of the classroom?  
The definition of the word, 'dictate'

Ohh, me, me, me, please  
Okay Jason, go ahead, stand up  
And give us the definition of the word 'dictate', okay?  
You know Ms.Johnson, dictate  
How's my Dic Tate?

My minds constantly in money gettin' mode  
I done seen bitches flip like them Sony explodes  
I came by way of a long bumpy road  
Doin' eighty, it's all gravy on the phone gettin' throat

From the padro [unverified] to that hydro  
From that sticky to that icky  
Dark tinted windows on my stretch 150  
Killer talkin' trash  
Tell 'em boy come and get me

They been bumpin' for some minuets  
They some bitches evidently  
My city represents me like fifty thousand albums  
They eat it up in the ville like x-pills and valiums

God damn, you did 'em so dirty  
Jumpin' up out of the back of that back 430  
I shit hotter then fish grease  
Strong as a pitch [unverified]  
Bitch please

I'm none of them fake MC's  
That sees their enemies and run like hoes  
Nuthin' to fear but fear foo confront your foes  
And tell 'em

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh

Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Crippling competitors crushed my opposition  
Walk into a room rappers stand up at attention  
Like ten, hut, hut, hut, shovin' threw the club  
Hollerin', what, what, what, what?

Crunk and I could give a fuck  
Sipping syrup got me slower then molasses in  
December  
May as well show my ass in the morning I won't  
remember  
Why my hand hurts

How I got this cut above my eye  
Holler turned to squabbling  
With fools from another side  
Fist will hurt your pride

Bullets hurt your sole  
When they jumping out of your body  
Because you're bleeding out of control  
Oh no, I can't go out like this

Layin' here with my drawers full of shit and piss  
You ignorant son of a trailer park tramp  
Who in the fuck do you think I am?  
God damn, you only get one more warning  
Then you're goin' to sleep but it ain't gonna be no  
yawning

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

If I could make this verse as hard as the other two  
This song would be a banging mother fucker dude  
Haystak, alias Moonshine, Big Stak, mista Mac  
Mista if we beefing watch your god damn back

Even in showers, even at picnics  
My clicks thicker then brick mix  
Bullets fatally attracted like lunatic chicks  
Who jumped on your dick 'cause your record was hot  
Found out where your family stays, can't blow up the  
spot  
Huh, what

Can you say clothes in the yard?  
Bitch dun threw some grits and barley missed me  
swear to God  
My old lady got more heart then the majority of them  
If I don't like it I go in the source  
Say it in public and fuck 'em

It wasn't no accident or homicide, I purposely buck 'em  
The fuckin' snitch sold out my cousin got him busted at  
customs  
You like 'em but don't trust 'em, fuck 'em but don't love  
'em  
If you really think he's bluffin' take the gun away from  
em

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh

Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?

Run hide duck, huh  
Bitch you heard me, huh what?  
Run hide duck, huh  
Bitch you heard me, huh what?
