Something happend,
Something happens to me.
Wait a minute,
Wait a minute and see.
I am only, Only one in the end.
Wait a minute
Here we go again,
I give up
I give in
I give up
I give in
It's a beautiful thing,
It's a beautiful thing.
When i wake up,
If i wake up at all
Can you feel it?
I can't feel anymore
I am only
Only one in the end
Can you feel it?
Here we go again.
I give up
I give in
I give up
I give in
It's a beautiful thing
It's a beautiful thing
humming
I give up
I give in
...
It's a beautiful thing
It's a beautiful thing
It's a beautiful thing
It's a beautiful thing
