So...

So you found somebody new
Will he make your dreams come true
Or will he break your heart in two?

I...

Won't let you see me cry
This love will never die
Always burning blue

And the wind...

That rages in my heart
It fans a flame
That burns as cold as ice
Burning blue

Now...

Now it's all been said and done
And you've only just begun
When it's time to turn and run

I...

Don't need to see you cry
This love will never die
Always burning blue

But the wind...

That rages in my heart
It fans a flame
That burns as cold as ice
Burning blue

Burning blue
Burning blue
Always burning blue...

Burning blue
Burning blue
Always burning blue...

And the wind...

That rages in my heart

It fans a flame
That burns as cold as ice
Burning blue

Burning blue
Burning blue
Always burning blue...

Burning blue
Burning blue
Always burning blue...
