Life is a game and love is like poison
But I am not afraid of these things

We live in a world of pleasure and pain
I swear to you, I know it's the truth

We won't get caught like this again
Love is an anvil, life is a candle and it burns you
Just when you feel fine
Just when you can stand alone
Just when you feel good
Just when the fear ends
Just when the tears end

Down comes the hammer
Down comes the hammer
Just like the hammer of love
Just like the hammer of love
But I am not afraid of these things
I swear to you, I know it's the truth
Love is an anvil, life is a candle and it burns you
Just when you feel fine

Just when you can stand alone
Just when you feel good
Just when the tears end
Just when the fear ends
Down comes the hammer

Just like the hammer of love
Just like the hammer of love
Down comes the hammer
I feel no pain
