(Verse 1)

She's been, thinking all about everything, and how
happy she would be if
She had someone.
He's been, thinking all about everything, and how lucky
he could be, if he
Knew someone.

(Pre Chorus)

Do you think that this could happen? I don't know but it
would be
Delightful, to meet you, to
Get to know you.

(Chorus)

Cause when your stars don't shine, it doesn't mean that
it's the very end
Of the night.
Cause when the morning comes, you'll be greeted by
the morning light, to
Let you know,
I'll be by your side forever and ever, can't you see it's
you I need in my
Life. Please don't walk
Away from me tonight, tonight, tonight.

(Verse 2)

In the morning, she wakes up to pouring rain, she's
been wondering if he's
Been noticing.
And in the morning, he wakes up to cloudy skies, he's
been hoping that she
Won't, leave tonight.

(Pre Chorus)

Do you think that this could happen? I don't know but it
would be
Delightful, to meet you, to
Get to know you.

(Chorus)

Cause when your stars don't shine, it doesn't mean that
it's the very end
Of the night.
Cause when the morning comes, you'll be greeted by
the morning light, to
Let you know,
I'll be by your side forever and ever, can't you see it's
you I need in my
Life. Please don't walk
Away from me tonight, tonight, tonight.
