[Verse 1:]

Forgotten sons and hopeless daughters  
The hungry child without a father  
You love the broken man  
Empty lives in desperate need  
The humbled hearts the least of these  
Find rest within Your hands

[Pre-chorus:]

So break our hearts  
For what breaks Your heart

[Chorus:]

Let the saints of God be brought to life  
Let your children be set free  
To a broken world with one voice we sing  
Let justice ring, let justice ring

[Verse 2:]

Open eyes and hearts to see  
Awaken love inside of me for those  
Who've lost their way  
Break the walls of hurt and shame  
Release the power of Your name  
For You are the God who saves

[Pre-chorus:]

So break our hearts  
For what breaks Your heart

[Chorus:]

Let the saints of God be brought to life  
Let your children be set free  
To a broken world with one voice we sing  
Let justice ring, let justice ring

[Bridge:]

Let justice ring, let justice ring, (yeah)

[Chorus:]

Let the saints of God be brought to life

Let your children be set free  
To a broken world with one voice we sing  
Let justice ring, let justice ring  
Let justice ring, let justice ring  
[repeat]
