Put your dreams away for now  
I won't see you for some time  
I am lost in my mind, I get lost in my mind  
Momma once told me, your already holy if you love  
I am lost in my mind I get lost in my mind

Whoo, whoo hoo hooo

Oh my brother your wisdom is older than me  
Oh my brother don't you worry about me  
Don't you worry, don't you worry  
Don't worry about me

How's that brick laying coming  
Hows that engine running  
Is that bridge being built  
Are your hands getting filled

Whooo hoo, whooo hooo ooh ooh x2

Musical break

Hows thay brick laying coming  
Is that engine running  
Is that bridge being built  
Are your hands getting

Won't you tell me my brother  
Cause there are stars  
Up above

Whoo hoo whoo hoo ooh ooh

Lost in my mind, lost in my mind  
Oh I get lost in my mind, lost  
I get lost, I get lost  
Oh I get lost
