A year from now we'll all be gone  
All our friends will move away  
And they're going to better places  
But our friends will be gone away

Nothing is as it has been  
And I miss your face like hell  
And I guess it's just as well  
But I miss your face like hell

Been talking 'bout the way things change  
And my family lives in a different state  
And if you don't know what to make of this  
Then we will not relate  
Said if you don't know what to make of this  
Then we will not relate

Rivers and roads  
Rivers and roads  
Rivers 'til I reach you  
[repeat]
