Ain't that a lot of love

I know the desert could hold all the love that i feel in my  
heart for you

Just like the ocean that started to roll, my love it could  
be coming to you

Ain't that a lot of love for one heart to hold

Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours, it  
wouldn't need a fire

I can't think of a word that describes you better than  
indescribable

Ain't that a lot of love for one heart to hold

Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling, they  
would shut up their honey comb

If the birds could hear how sweet your voice is, they'd  
pack up and fly away

Ain't that a lot of love for one heart to hold

Ain't that a lot of love for one heart to hold
