She confessed her love to me  
Then she vanished on the breeze  
Trying to hold on to that was just impossible

She was more than beautiful  
Closer to ethereal  
With a kind of down to earth flavor

Close my eyes  
It's three in the afternoon  
Then I realize  
That she's really gone for good

Anybody seen my baby  
Anybody seen her around  
Love has gone and made me blind  
I've looked but I just can't find  
She has gotten lost in the crowd

I was flippin' magazines  
In that place on Mercer Street  
When I thought I spotted her

Getting on a motor bike  
Looking really lady like  
Didn't she just give me a wave?

Salty tears  
It's three in the afternoon  
Has she disappeared  
Is she really gone for good

Anybody seen my baby  
Anybody seen her around  
If I just close my eyes  
I reach out and touch the prize

Anybody seen her around

Anybody seen my baby  
Anybody seen her around

If I just close my eyes  
I reach out and touch the prize  
Anybody seen her around

Lost, lost and never found  
I must have called her a thousand times  
Sometimes I think she's just in my imagination

Lost in the crowd
