aka Bloodred Wine

Mmm...dear, I love you dearly, but don't forget trouble  
I,  
used to find, and it was, in your mind...yeah

I got red blood, and I got blood red wine Which I bring  
you,  
when the snow is heavy on the ground If you say where  
go  
I'll just, wrap my cloak around

You say that every man you ever had Has been  
obsessed  
with you and I, wanna prove an exception To the role,  
that  
you lay down Babe, please don't make me cry, 'cause  
there's a little pain inside..ide Yes my darling now you  
can't  
expect me always to hide

I got red blood, and I got, blood red wine Which I bring  
you  
when the snow lies heavy on the ground If you say we'll  
go  
Why-ow... let me, let me, wrap my coat around

Yeah, that's right You see that every time well the lines  
must  
rhyme And every verse, be in the same old time Does it  
all,  
have to rhyme? But there go, and that's a place that  
you will  
never... You said to remind of the girl I used to know,  
and  
used to love, yeah

I got red blood, and I got blood red wine Which I bring

you,  
when the snow lies heavy on the ground If, you get cold  
I, oh  
wrap my, coat, coat around My, my, my, my don't you  
stay,  
on that, that snowy ground...
