(Jagger/Richards)

Connection, I just can't make no connection.  
But all I want to do is to get back to you.

Everything is going in the wrong direction.  
The doctor wants to give me more injections.  
Giving me shots for a thousand rare infections  
And I don't know if he'll let me go

Connection, I just can't make no connection.  
But all I want to do is to get back to you.  
Connection, I just can't make it, connection  
But all I want to do is to get back to you.

My bags they get a very close inspection.  
I wonder why it is that they suspect on.  
They're dying to add me to their collections  
And I don't know if they'll let me go

Connection, I just can't make no connection.  
But all I want to do is to get back to you.  
Connection, I just can't make no connection.  
But all I want to do is to get back to you.
