Here I come...

Do you think I could ever care

'Bout a girl, who's never there?

Do you think I could ever care

'Bout a girl who's never there?

I saw her on the subway

Saw her on the D-train

Saw her in the afternoon

After all the Giants' games

Saw her on the freeway

Saw her on a highway

Gimme a break, I need a Yellow Cab

Help me get outta this rain

Do you think I could ever care

'Bout a girl who's almost never there?

Do you think the clothes she wears

Would change my mind

Or turn my hair?

I saw her on a freeway

Saw her on a A-train

Saw her hangin' out

On 52nd and Broad

Saw her on a highway

Saw her on a skyway

Ahhhh, need a Yellow Cab, Ronnie

Let me get outta the rain

Yeah.....g'head

Good job

Yeah!

I saw her on a highway

On a D-train

I saw her eatin' a pizza

On 75th and Broadway

Saw her on a subway

On a biplane

Ahh, I'm getting tired o' this shit

I need a Yellow Cab

Help me get outta this rain

Do you think I could ever care

'Bout a girl who's almost never there?

Do you thinkcould ever care

'Bout a girl who cares about the...the clothes she wears?
Do you think I could ever care
'Bout a girl that even dyes her hair?
The song
Do you think
Whooo
Oh no
Whooo
Ohhh, do you think I would really care
'Bout a woman.....who's never there?
Do you think I'd ever care
'Bout a woman....the clothes she wears?
'Bout a girl who's hardly ever there?
Whooo! Whooo!
Well, that's alright
Whooo
