The police in New York City
They chased a boy right through the park
And in a case of mistaken identity
They put a bullet through his heart

Heartbreaker with your forty four
I wanna tear your world apart
You heartbreaker with your forty four
I wanna tear your world a part

A ten year old girl on a street corner
Sticking needles in her arm
She died in the dirt of an alleyway
Her mother said she had no chance, no chance

Heartbreaker, heartbreaker
She stuck the pins right in her heart
Heartbreaker, pain maker
Stole the love right out of you heart

Heartbreaker, heartbreaker
You stole the love right out of my heart
Heartbreaker, heartbreaker
I wanna tear your world apart

Doo doo, doo doo doo doo doo doo
