I had a dream last night that I was piloting a plane
And all the passengers were drunk and insane
I crash landed in a Louisiana swamp
Shut up a horde of zombies but I come out on top

What's it about ?

I guess it just reflects my mood

Sitting in the dirt

Feeling kind of hurt

All I hear is doom and gloom

All is darkness in my room

Through the light your face I see

Baby take a chance

Baby won't you dance with me

Lost all the treasure in an overseas war

It just goes to show you don't get what you paid for

Care about the rich and worrying about the poor

Put the feet up on the couch and lock all the doors

Hear a funky noise tightening of the screens

Feeling kind of hurt

Sitting in the dirt

All I hear is doom and gloom

But when those drums go boom boom boom

Through the night your face I see

Baby take a chance

Baby won't you dance with me

Yeah !

Baby won't you dance with me. Ah Yeah !

Fracking deep for oil there's nothing in the sump

There's kids all picking at the garbage dump

I am running out of water so I better prime the pump

I am trying to stay sober but I end up drunk

We'll be eating dirt living on the side of the road
There's some food for thought kind of makes your head explode
Felling kind of hurt

All I hear is doom and gloom
All is darkness in my room
Through the night your face I see
Baby come on
Baby won't you dance with me
Yeah !
Yeah !
Baby won't you dance with me
Feeling kind of hurt
Baby won't you dance with me
Ah Yeah !
Come on
Dance with me
Sitting in the dirt
Baby won't you dance with me
