(B. Wyman)

Got the Monday mornin' blues (Yeah, yeah, yeah)  
Monday wasn't really real (Yeah, yeah)  
Oh, lying on a naked bed (Yeah, yeah, yeah)  
With an Alka Seltzer head (Yeah, yeah)

Oh, Lucy looked sweet just a-strollin' down Newport  
Street  
Talkin' 'bout Lu, what ya gon' do?  
And I feel so bad  
Have you ever been had?  
I'll dry out sweet Lucy

Took an early morning shower (Yeah, yeah, yeah)  
Well, I wasted 'bout half an hour (Yeah, yeah)  
I heard the ringing of the bell (Yeah, yeah, yeah)  
It's Lucy with the clientele (Yeah, yeah)  
Oh, I'm feelin' like the Sunday Times (Yeah, yeah,  
yeah)  
A certain Californian wine (Yeah, yeah)  
Oh Lucy kicked me in the hole (Yeah, yeah, yeah)  
A Tenner's worth of achin' bones (Ooh-oo)

Oh Lucy looked sweet just a-strollin' down Newport  
Street  
Lord, Lu, what ya gonna do?  
I feel so bad  
Have you ever been had?  
Got a dose from sweet lucy

Oh Lucy looked sweet just a-strollin' down Newport  
Street  
Talkin bout Lu (who?) what ya gonna do?

Oh and I feeling so bad  
Have you ever been had?  
Oh by sweet Lucy
