(Jagger/Richards)

Do I miss her kiss at night time  
Arms around me till the light time  
Yes I do, yes I do, yes I do, yes I do  
Each and ev'ry day of the year

I still see her on the corner  
Do I park and still wait for her  
Yes I do, yes I do, yes I do, yes I do  
Each and ev'ry day of the year

Never get around any more  
Don't know what my friends are for  
No fun sitting all alone  
When I cry cry cry on my own

Each and ev'ry day of the year  
Now that she has gone for ever  
Do I wonder what my life's for  
Yes I do, yes I do, yes I do, yes I do  
Each and ev'ry day of the year
