There's been so many girls that I've known,
I've made so many cry, and still I wonder why,
Here comes a little girl, I see her walkin' down the
street,
She's all by herself, I try to knock her off her feet,
'Cause you'll never break, never break, never break,
never break,
This heart of stone, oh no, no, this heart of stone
darlin'.

What's different about her I don't really know,
No matter how I try, I just can't make her cry.

Instrumental Break

'Cause you'll never break, never break, never break,
never break,
This heart of stone, oh no, no, this heart of stone
darlin'.

Don't keep on lookin' that same old way,
If you try actin' sad, you'll only make me glad
Better listen little girl, If you goin' walkin' down the
street
I ain't got no love, I ain't the kind to meet
'Cause you'll never break, never break, never break,
never break,
This heart of stone, oh no, no, this heart of stone
darlin'.
