(Willie Dixon)

The spark (stars) in your eyes sets  
my soul on fire  
Your voice is like an angels above  
The touch of your hand drives me insane  
But baby, I want to be loved

I'm crazy 'bout ev'ry little thing you do  
I cherish the way you hug (me)  
Your kiss is so sweet, honey, it can't be beat  
But baby, I want to be loved

Ev'ry time I ask you for a date  
You don't come at all, or you're mighty late  
I ask you to dance, (take) a little spin  
You say "Wait a minute, daddy,  
here comes my friend"

I love the way you walk when you pass me by  
Even when you try to snub (me)  
You kill (kiss) me, baby when  
you give me the eye  
But baby, I want to be loved
